**Aster:** Hi, I'm Aster your uh ambassador of fun and excitement.

So, we have always been captivated by the wonders of space, the unknown, the mystery, the uncertainty, and when you think about it space is a lot like personal planning.

It can feel intimidating and uncertain unless you have the right individual plan.

**Aster:** AuguStar Financial looks at things through a different lens which can make all the difference to see things more clearly.

We like to make the personal planning conversation more approachable, easier to understand, and with a little bit of fun sprinkled in so you can see the financial future you're looking for.

It's the dawn of a new day for your financial future. Let's make space or personal planning feel a little less intimidating and a little more fun.
